## Pet Stain Eliminator

### Spot Check Pet™ green Pet Stain Eliminator

**DIRECTIONS:** SHAKE VERY WELL BEFORE USE. On stained area pre vacuum or brush-up dirty spots with towel or brush. Spray Spot Check Pet green Carpet and Fabric Cleaner on soiled area and gently brush, rub, or wipe into spot. Let stand for a few minutes and blot dry with a clean absorbent dry towel. If faster drying is needed vacuum area after cleaning.

Spot Check Pet green Carpet and Fabric Cleaner is safe to use on most fabric, and carpets, natural or synthetic. Spot Check Pet works by loosening and lifting the soil from the stained area. This product will not harm any fabrics that water will not harm. It will not change the color or color fastness of most materials.

Spot Check Pet green Carpet and Fabric Cleaner will remove stains and dirt from Carpets, Rugs, Upholstery, Sofas, Chairs, Drapes, Bed Spreads, Auto Interiors, Clothing and much more.

The Pure One Environmental green product line is 100 % environmentally safe, and designed to replace many types of toxic chemical cleaners in the market today. It is a water Based formula with no harmful chemical additives, non-toxic, biodegradable, and safe to the environment.
